NAME
ADDRESS

Dear NAME,

You have been selected to participate in an important evaluation study, the *Study of Employment Eligibility* (SEE). The purpose of this study is to help the U. S. government better understand the experiences that employees like you have with the job application process and in verifying their work eligibility. Because your experience is very important, we would like to talk to you. Your participation will not only give you a chance to relate your job application experiences and to express your opinions about the employment verification process, but also will be very helpful in shaping future laws to protect you and other people like you.

What you tell us is confidential, to the extent allowable by law. We will not tell your employer, the U.S. Citizenship and Immigration Services, the police, or any other enforcement organization what you tell us. You may even choose not to answer our questions or you may choose to stop the interview. If you choose to complete the interview, you will receive \$25 for your help. The interview will take about 60 minutes.

An interviewer from Westat, an independent research firm in Rockville, Maryland, will contact you within the next two weeks to set up a time to talk with you. In the meantime, if you have any questions, please feel free to call Molly Hershey-Arista toll-free at 1-800-937-8281, ext. 4908, or email us at uscis-see@westat.com.

Thank you in advance for your help.

Sincerely,

Jean Yan, Ph.D.
